

# CREATING VALUE FROM WASTE

Ostara would like to invite you to view a demonstration of our  
PEARL™ Nutrient Recycling Process  
which has been installed at the  
Orange County Utilities' South Water Reclamation Facility.

October 12 – 14, 2009  
Orange County Utilities' South Water Reclamation Facility  
4760 West Sand Lake Road, Orange County, Florida

If you are interested in a tour of the facility,  
please contact Matt Kuzma at 206-419-1993 or [mkuzma@ostara.com](mailto:mkuzma@ostara.com)  
or Chris Howorth at 604-562-0301 or [choworth@ostara.com](mailto:choworth@ostara.com)  
to arrange transportation and tour details.
